

### **St. Luke/St. Paul's Food Kitchen**

Cooperating with the Easton Congregational Church, our members help prepare a meal on the third Tuesday of every month for St. Luke/St. Paul's Church in Bridgeport. This ongoing mission project is totally dependent on the generosity of members and friends from the Congregational Church and Jesse Lee UM Church.

The monthly menu is chicken legs & thighs, any style, side dishes of potatoes, rice or pasta, any style. Vegetables, salads, fruit & desserts round out the menu. These items are usually donated by members & friends of our two churches. Some standard items and condiments are purchased and monetary donations towards their cost are very welcome.

Help is also needed with transportation & serving at St. Luke/St. Paul's, especially in winter with 4-wheel drive!

This mission is possible only with many hands making light work! Contact Suzanne Herlihy (203-372-8640) if you can help in any way.

In January two Jesse Lee cooks helped and two members helped serve the dinner to 68 people, many families with children.
