

If we neglect to use the bin, we will lose our monthly donation from BBBS

Collection bin. courtesy of the Big Brothers & Big Sisters of SWCT Foundation, is located in a corner of the Church's parking lot. There are directions on the bin for securing a receipt for tax purposes.

Offers a place in Easton for church members and others to deposit unneeded, but still useful, items. The BBBS Foundation pays a monthly fee for use of the space; therefore, the church benefits financially also. The bin is checked weekly and maintained by BBBS.
